**GRAMMY WINNING GROUP LADY ANTEBELLUM TO BRING OWN THE NIGHT
2012 WORLD TOUR TO TORONTO ON JUNE 16, 2012**

TORONTO, NOVEMBER 25, 2011 – Multi-Platinum group Lady Antebellum announced today that their OWN THE NIGHT 2012 WORLD TOUR will roll into Toronto at Molson Canadian Amphitheatre on June 16, 2012. The tour will feature Darius Rucker and special guest Thompson Square. Fans can purchase tickets at www.livenation.com and all Ticketmaster outlets beginning Monday, December 5, 2011 at 10:00am.

"We can't wait for 2012 and our first big headlining tour in arenas," said Hillary Scott. "We hope to create a once-in-a-lifetime concert experience and make some really special memories with our fans."

The trio's live show has earned glowing reviews from critics across the country.

"Lady A brought a sold-out audience to its feet and kept them there for the duration." *Chicago Tribune*

"And Lady A's three core members — along with a dynamite five-piece band, squeezed every ounce of hand-clapping, chorus-singing energy out of the crowd." *Seattle Times*

"They're personable, energetic, and best of all, they can sing." *Dallas Morning News*

Lady A's record breaking third disc OWN THE NIGHT debuted at the No. one position on Billboard's Top 200 chart last month, becoming the biggest first week debut by a country artist this year. Its current hit "We Owned The Night" is the album's second single and follows their fifth career No. one hit "Just A Kiss." The trio's previous two albums have sold over five million albums across the globe, spawned four No. one hits, scored six GRAMMYs and over a dozen other award show trophies. The group just won Vocal Group of the Year at the 45th Annual CMA Awards, Favorite Country Band, Duo or Group for the 2011 American Music Awards and will be honored as one CMT's five Artists of the Year in December.

Darius Rucker has again topped the charts with the release of his sophomore country album, CHARLESTON, SC 1966, on Capitol Records Nashville. Since it's October 2010 debut, the album has garnered two No. one hits with "Come Back Song" and "This." The third single, "I Got Nothin'," is on country radio now and working its way up the charts. His chart-topping 2008 debut release, LEARN TO LIVE, produced three consecutive No. one singles and Top Five smash, "History In The Making." In addition to country music, Darius offers much of his time to charitable efforts benefiting St. Jude Children's Research Hospital, the Hootie & The Blowfish Foundation, and many others.

One of Country music's biggest breakout acts of 2011, Stoney Creek Records' Thompson Square, has earned 12 major awards show nominations in 2011. The husband-and-wife's infectious hit single, "Are You Gonna Kiss Me Or Not," reached the coveted No. one spot on both Country radio charts and has sold 1.5 million downloads to-date. The single is also the most played song of the year on Country radio (Mediabase). Thompson Square's current single, "I Got You," is in the Top 10 on both the Billboard and Mediabase Country radio charts and is a No. one hit on the Music Row chart.
